**Re: REQUEST FOR CORRECTION TO PUBLICATION NO. 2005/0053346 Issued March 10, 2005**

• Comments:

Per our telephone conversation today, we are requesting correction of the publication listed above due to a material error in that the wrong application for Serial No. 10/628,181 was scanned into the file wrapper for Serial No. 10/659,464, resulting in the application being published with the wrong abstract, claims and description.

We have been working the US Patent & Trademark Office of Initial Patent Examination (Ms. Delora Dillard & Ms. Cherrie Haywood) and the correct application has now been scanned into the file wrapper. Examiner Ryan Lepisto is also aware of this error and subsequent correction as evidenced by the enclosed copy of an Interview Summary of a telephone interview held today.

Applicant(s) respectfully request that the publication be corrected and that the two-month period for correction be waived.

Thank you for your assistance.
